

PICKERS AND PUNCHERS

Puncher

For the collection of objects. Very light, with aluminum handle, stainless steel tip and plastic handle.

Length: 970 mm
Weight: 180 gr

Picker 1

A picker for the collection of objects with perforated rubber lined handle to improve the grip and plastic trigger. Very light aluminum handle and a combined plastic and aluminum clamp with an internal toothed rubber finish that gives a good grip for the objects on the ground. The connection between trigger and the clamp is made with a nylon braid cable.

Each box contains 5 units
Length: 850 mm
