

# INDUSTRIAL CLEANER

Professional floor cleaner that effectively cleans all types of floors (stoneware, ceramic, parquet, varnished wood, marble or natural stone). It can be used on all types of surfaces that can be washed vigorously, leaving them with their natural shine and a pleasant, long-lasting floral scent. Ideal for use in toilets due to its disinfectant action.

## Instructions for use:

- Depending on the soiling, it can be used pure or diluted.
- For scrubbing floors, diluted between 1% and 3%. Diluted, no need to rinse.
- Pour onto a sponge or cloth, apply to the surface to be treated, rub, rinse and dry.

## Extras:

- **DO NOT** swallow.
- Keep out of the reach of children. Irritating to skin.
- In case of contact with eyes, rinse immediately with plenty of water.
- In case of skin contact, wash immediately and thoroughly with soap and water.
- In case of accident, consult the toxicological service (915 62 04 20).

## Technical characteristics:

- Pink colour, floral aroma.
- Emulsifying and foaming.
